Positive Behaviour for Learning Reward Day

Dear Families,

We will be holding our special student acknowledgement day on Tuesday, 18 December 2018. This is our chance to celebrate and acknowledge all the students who have worked really hard with their work, effort and behaviour to achieve their best this term. All students who have attained a Bronze, Silver or a Gold badge level this term will be permitted to wear mufti on the Tuesday.

They will also be invited to the Principal Morning Tea at recess time to celebrate their special achievement personally with Mr Mason. We will supply a special treat at recess for these super special students.

All Gold and Principal Award Winners are also invited to join Mr Mason in the middle session on Tuesday 18 December for a very special fun session in the library. This will run for a little over an hour until all our students attend our special whole school Santa Visit. As part of our special session, all Gold and Principal Award Winners are permitted to bring in a personal electronic device to use during the special session.

All devices must be brought to the office in the morning. The devices will be stored for safe keeping until the special middle session event is on, then returned to the office for the rest of the day. If families choose to permit their child(ren) to bring a device, then we ask that all devices and accessories are clearly labeled with the child's name. It will also be each student's responsibility to collect his or her device from the office at the end of the school day.

Congratulations to all our students who have demonstrated a strong effort to follow our school values to be safe, respectful learners.

Warmest regards,
Trev Mason
Principal
