Sporting Schools - Cycling

We are very excited to share the news, that this term students from K-6 will have the incredible opportunity to participate in a **Sporting Schools Cycling Program for Friday Sport**. This program will be run by a Coach from Cycling Australia.

This opportunity will require students to bring their **bike and helmet** to school on Friday for sport on the following dates:

Dates: Friday 13th November, Friday 20th November, Friday 27th November and Friday 4th December

Venue: Wallacia Public School

Cost: No Cost

Additional Information:

Attire: Students should wear their full school sports uniform, including a hat.

Bring: Water bottles and sunscreen.

Please Note: When students arrive at school with their bikes and helmets they will take them to a designated area within the school where bikes will be kept during the day. If your child does not have a bike, they will have the opportunity to share a bike during their session.

We appreciate that week 1 starting this Friday 13th November is late notice to arrange bikes being brought to school and dropped off in the morning however this organisation was unfortunately out of our control. If you have any questions, please feel free to contact the school.

Staff member/s with CPR training: All staff
