Sporting Schools – Cycling Update

Thank you to all of our families who made it possible for our students to enjoy participating in Cycling for Sport on Friday. It was a big effort and was a very rewarding opportunity.

Due to circumstances out of our control Cycling Australia will be attending Wallacia Public School on **Thursdays** to run the Cycling sessions instead of Fridays.

Students will be required to bring their **bikes and helmets and to wear their sports uniforms to school for Sport on Thursdays** for the following dates.

New Cycling Dates: Thursday 19th November (week 6), Thursday 26th November (week 7), Thursday 3rd December (week 8) and Thursday 10th December (week 9)

Additional Information:

Attire: Students should wear their full school sports uniform, including a hat.

Bring: Water bottles, sunscreen, helmet and bike.

Please Note: When students arrive at school with their bikes and helmets they will take them to a designated area within the school where bikes will be kept during the day. If your child does not have a bike, they will have the opportunity to share a bike during their session. At the end of the day K/1 students will come up a few minutes early with their bikes to allow the opportunity for them to be collected with their bikes before the older students come out.

Any questions please feel free to contact the school.

Thank you for your wonderful support of this great opportunity.
