**Books, Mathletics, Reading Eggs Subscriptions and
Classroom Materials 2021**

Dear Parents and Carers,

Wallacia Public School purchases all appropriate exercise books that students will need throughout the 2021 school year in each Key Learning Area (KLA). The cost works out at \$15.00 per student. At Wallacia Public School we also use a Handwriting Textbook for each child. The cost for this is \$10.00.

Parents are asked to provide their child's classroom stationery, such as pencils, pens, etc. A list of equipment is included at the end of this note. We ask that students not bring thick marker pens or liquid paper to school. If parents choose to send textas to school, as these are optional, we recommend a maximum of 12 textas to be included in your child's stationery. Kids will lose equipment and things will run out so we advise that from time to time that families check their child's stationery supply now and then over the year to make sure they still have what they need.

All students across the school will be participating in the *Mathletics* program. *Mathletics* is an interactive computer program that supports student engagement in Mathematics. Each Child is able to access *Mathletics* at home. *Mathletics* subscriptions are at a discounted rate compared to the commercial rate. Parents are asked to pay \$22.00 for the *Mathletics* subscription.

All students in K to 3 will participate in *Reading Eggs* Program 2021. *Reading Eggs* is an interactive computer program that supports students to develop their reading strategies. The cost of *Reading Eggs* for 2021 is \$25.50 per student (K to 3).

All prices are as indicated on the attached sheet. **Payment/s can be made by direct credit via the school website '\$ Make a payment'**. Please note that separate payments will need to be made for each child. Alternatively, you can make a payment by completing a payment envelope and posting it into the red payment box in the school office foyer.

If you have any concerns, or experience difficulty making any of the above payments, please speak with me. No Student will miss out on using any program/s or use of equipment or resources if fees are unable to be paid.

Regards,

Make Online Payments

Parents can make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card. The payment page is accessed from the front page of the school's website by selecting '\$ Make a payment'.

Items that can be paid include voluntary school contributions, excursions, book fees, student invoices and Athletics Subscriptions, Year 6 Shirts and more. There is also a category called 'Other' to cover items not outlined in the previous headings. 'Other' can be used to make a complete payment of a school invoice. *Direct P & C payments cannot be paid using online parent payments, (orange notes).*

When you access the '\$ Make a payment' you need to enter the student's:

- name,
- class (ERN number or reference number is not required) and
- date of birth.

These details are entered each time you make a payment as student information is not held within the payment system.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner. These details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child's account. As a receipt has been issued from the payment page, a further receipt is not issued by the school.
