Life Education NSW

Dear Parents/Caregivers,

On **Friday June 4, 2021 (Term 2 Week 7)**, **Life Education**, Healthy Harold will be visiting Wallacia Public School.

The Life Education Healthy Harold Educators deliver engaging programs, which cater for students in Kindergarten to Year 6. These programs address many of the components and objectives within the NSW PDHPE Curriculum.

After participation in the program, students will also be given the opportunity to purchase Healthy Harold items, which help fund and support the Life Education programs. A complete list of the items available for purchase has been included on the next page. If you wish to order any merchandise, please place the correct money in a clearly marked envelope or sandwich bag, as detailed on the attached order form. Money for merchandise is to be given directly to the Life Education educators, not to the school office please.

Cost: The cost of the program for the school is **\$12.00 per student**. We do not want any students to miss this important opportunity. We would gladly accept \$12.00 from any families who can afford and are happy to pay for this service.

Due: Please complete the permission note below and return with payment to the office, or make an online payment, by **Friday May 21, 2021 (Term 2 Week 5)**.
