Dear parents/Caregivers and Families,

What a great start to term 4!

Thank you to all the families that have been involved in their children's learning during term 3. A special thankyou to everyone involved in our Colour run fundraiser, our little school community raised an amazing amount of money. With the money raised the P & C have helped us purchase Lego Spike Robotics Kits that the students are beginning to use this week.

Thank you to parents who have been supervising their children on the equipment after school, it has made for a safer, smoother and more fun pick up period

End of School at 3pm -if you are allowing your child to play on the equipment in the afternoon, please make sure you are standing close by and supervising. We are not able to allow students who are not with their parents/carers to play as there is no teacher on duty at the playground equipment. Thank you for your support.
