Join the Wallacia Public School P&C

We all want the best for our children and recent research has shown that students whose parents are actively engaged with their education do better and are happier at school.

P&C volunteers are dedicated parents and community members who want to contribute to the management and improvement of our schools. Our Parents and Citizens Association (P&C) is managed by an executive committee who, with other members, work closely with the school principal and staff.

What does your P&C do?

- Consult with the school principal and staff
- Manage communication with our uniform supplier
- Assist with school events
- Plan events and organise fundraisers
- Apply for grants

P&C membership is \$2.00 a year and you are encouraged to attend the P&C meetings held monthly. Even if you are not able to attend meetings, being a P&C member is a great way to learn what is happening at the school and have your say.

We need your skills?

Your skills and hobbies could be put to great use and volunteering even a small amount of time will benefit your children and other children in the school community.

Attending P&C events provides an opportunity to network with the Principal, teachers and other parents.

P&C members suggest and implement positive changes to our school. The funds raised have a lasting impact through building improvements and providing classroom extras, all contributing to the outcomes and well-being of Wallacia Public students.
