Parliament and Civics Education Rebate (PACER)
Parent Information Letter

Students from our school have recently undertaken, an education tour of the national capital. Students were given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their HSIS (Civics and Citizenship Education). To assist families in meeting the cost of the excursion the Australian Government contributed funding of \$45.00 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.
