

Kindergarten 2023 Transition to School Initiative Invitation

Wallacia Public School would like to invite families with children who may be ready to start Kindergarten in 2023 to take part in our **Kindergarten Transition to School Initiative 2022**. This program is specifically designed to assist students to transition from a home or preschool environment to 'big' school.

This **Kindergarten Transition to School Initiative** will commence in Term 4. ***The program will run every second Wednesday at 9.15am to 10.15am, in the current Kinder Classroom.*** The dates for the program are:

Term 4

Week 3	Wednesday 26 October
Week 5	Wednesday 9 November
Week 7	Wednesday 23 November
Week 9	Wednesday 7 December (Official Kindergarten Orientation Morning)

We look forward to again running this successful initiative on Wednesday mornings to assist next year's Kindergarten students to make a successful transition to school.

On Wednesday 26 October (first day of transition) Mr Grenfell invites Parents / Carers to join him for a "Cuppa and a Chat" in the staffroom while their children are in the classroom for every Wednesday Morning of the transition program. On Wednesday 7 December (last day of transition) we will hold our official Orientation Morning. Orientation will run for Parents / Carers while their children are at transition.

We welcome as many Parents to attend this valuable session as possible

Yours sincerely,

Mr Scott Grenfell
Principal
