Wallacia Public School 120 Year Celebration

Dear Parent/Guardian(s)

This year marks a significant milestone in the history of our school, the Wallacia community, and the lives of those who were and are privileged to be a part of this remarkable community. To celebrate and acknowledge our school's 120 year anniversary we will be hosting a very special anniversary event. Our invitation is open to everyone. We would love to welcome all ex-students and ex-staff, along with the entire learning community.

We will be holding our special school 120 year anniversary during Education Week on Tuesday 01/08/17 from 9.00a.m until 11.30 a.m.

The day will be about celebrating the past, embracing the present and reaching for the future. We encourage visitors to get into the spirit of the 120 year anniversary by dressing up as our first schoolers did back in the day; in Victorian-style dress.

Mrs Tritton will be organizing some old fashioned props so everyone can get a special photo taken at the sensational Parents and Citizens Photos booth. The P&C team will be uploading all photos to social media for families and individuals to access.

The official ceremony will start in the school at 9.00a.m with a special assembly event. This will be followed by our Stage 3 class who will be running some fun stalls in their quest to serve our community and raise some funds for our year 6 farewell. This is sure to be a treat.

The school will be providing FREE pizza at recess time. Please come along, enjoy and re-live our special school spirit. Support us to bring out the best of every child. A lot has changed over the years. However, one thing has not changed. Wallacia is a place where children are inspired to learn and where they thrive as individuals, a place filled with young people who care about each other and about making the world a better place.

Warm regards
Trev Mason

120 Years, Your Invitation!
