Stage 3 Camp: The Great Aussie Bush Camp – Kincumber
Monday 7th November – Wednesday 9th November

Monday 24 October 2016

Dear Parents & Caregivers,

Stage 3 camp is fast approaching. Please make sure you have completed and returned all medical notes that were sent out at the end of Term 3, and that you are collecting all equipment needed for the camp. Please make sure that your child has packed enough clothing for 3 days and ensure everything is clearly labelled with your child's name.

Below is the list of activities we will be doing at camp. We are participating in 2 activities where it is highly likely that students will get wet so please make sure you have **2 sets of clothes and 2 sets of shoes that can get wet and possibly muddy.**

Camp Activity List:

- Archery
- Canoeing
- Rock Climbing
- Sports Session
- Giant Swing (3 person)
- Power Fan
- Lost Island (Mud World)
- High Ropes
- Challenge Night
- Commando Night

All medication needs to be clearly labelled with child's name and clear instructions. Medications need to be given to Mr Boyd on the morning we leave. Your child may bring a camera, iPod or MP3 player. **Mobile phones will not be permitted.**

Mr Boyd will be in contact with the school if necessary. If there are any problems with your child, he will contact you and the school immediately. The school has Mr Boyd's mobile number and can be contacted at any time.

The Bus will depart **Wallacia Public School** at 8am sharp. **Please ensure you are at school by 7:30am.** We will be leaving the camp at 1pm on Wednesday and hope to return to school at approximately 3:30pm.

Mr Tim Boyd
Organising Teacher

Mr Mark Davies
