2016 VOLUNTARY CONTRIBUTION

NSW government primary and secondary schools request contributions from parents to enhance educational, extra-curricular and consumable supplies; such as tissues and other items not covered in book fees and sporting programs. This school contribution is voluntary and payment is discretionary for parents and guardians.

The level of contribution is set by the School P & C. This year the level of voluntary contributions are set at;

\$35.00	1 child
\$60.00	2 children
\$70.00	for 3 or more children.

Please note there has been no increase in levy of Voluntary Contributions since 2012. We understand that some families are not in a position financially to make such contributions. However, we greatly appreciate those families who are able to make a voluntary contribution payment.

Payment/s can be made by direct credit via the school website "\$Make a Payment". Please note that payments can be included when paying your child's book and material fees. Alternatively, payments can be made by completing a payment envelope and posting it into the red payment box in the school office foyer.

Kind regards,

Mark Davies
Principal
