### **2/3C Class Garden**

Dear Parents / Caregivers,

On Thursday 8 September, as part of Book Week / Education Week activities, students in 2/3C are being invited to bring in a small flowering plant, bulb or groundcover to plant in the class garden plot. Students are welcome to plant their plant with attending family members in the afternoon. This will occur after the lunch break at approximately 2.00pm and will be done as a whole class activity.

Throughout Term 3, 2/3C have been busy working in the garden, and have created one garden bed of apple trees, one vegetable patch and a garden bed for flowering plants.

Suitable plants might include:

- Bulbs - e.g. daffodils, freesias.
- Small Flowering Shrubs - e.g. daisies, pansies, lavender, azaleas, daphne, gardenia.
- Australian Natives - e.g. kangaroo paw.

We look forward to you joining us and contributing a plant if possible.

Kind regards,

Miss Carroll  
2/3C Teacher

Mark Davies  
Principal
