

Wallacia Public School P & C

Sunglasses

Dear Parents,

With one of the hottest, longest summers on record, we are always looking for ways to keep our kids cool and safe from the UV rays. The cancer council's new moto of SLIP SLOP SLAP SEEK SLIDE is being implemented in schools across the state. We have decided to follow this fantastic initiative and introduce sunglasses as part of the uniform.

They will not be compulsory but encouraged by our teachers.

With the highest of UV ratings, they will have our school name on them and a spot for labelling on the inside. They are durable and come with a hard case and clip to attach to bag or lunch bag.

The P & C believes in this initiative and would like to pay for each child to have a pair of school sunglasses. They will retail at \$14 after the initial rollout. We will give every child in Kindy, year 1 and year 2 a pair. All children in years 3-6 have the option to get a free pair in term 2/3. Please fill out and return the note below.

Please supply my child _____ in _____

class _____ with a pair of Sunglasses.
