### **PREMIER'S READING CHALLENGE**

Dear Parents and Carers,

The 2016 Premier's Reading Challenge opened today.

In order to participate, students need to log on to the PRC site and register for the challenge. Students then keep a record of the books they have read on the online register.

Books that are eligible to be included in the PRC can be found on the online lists, relevant to your child's stage, on the PRC website.

Our library also has a comprehensive range of books that are on the PRC lists, available for students to borrow.

Please note that the school does not update books that students have read to the online register. This should be completed at home. If you don't have access to the internet at home, please see me to arrange a suitable alternative.

Students can access the PRC website following the directions below:

Follow the link to the Premier's Reading Challenge website which can be found in the [Student Portal](#) under the **Learning** section. Students are also able to add a link to the PRC in the **My Link List** section to make the PRC easier to find. The URL to use is <http://online.det.nsw.edu.au/prc>.

Public school students can also log in directly to the [PRC website](#) using their Department of Education (DoE) username and password. These are the same details a student would use to access the [Student Portal](#) and the computer network at school. If you are unaware of our username and/or password, please contact your class teacher and ask for your Student Portal username and/or password.

Regards, Mark Davies

Principal
