

Wallacia Public School P&C Association

2016 Outdoor Movie Night Friday 11th March

Wallacia Public School's P&C's major fundraising event for the year is fast approaching. We need as many students from our school, families and friends to attend, to make it beneficial for our school.

After the feedback we received late last year on a movie choice, we have 5 to vote on.

Please vote with your preference from **1 as the least favourable** to **5 as the most favourable**. The movie that receives the most votes will be the winner.

Please place your voting forms in the orange box in the school office.

ODDBALL
